(Worcestershire branch) event

Saturday 23rd June 9 am - 12 noon
Woodgreen Church, Worcester, WR4 0SR.

Ezra is one of the least well-known books of the Old Testament yet it contains the thrilling roller coaster story of how the temple was rebuilt. It's a story every church member, teacher and preacher ought to know and rejoice in as Jesus builds his church. Adrian Reynolds is Training Director of the Fellowship of Independent Evangelical Churches and has just published a commentary on Ezra for teachers and preachers. He is married to Celia and they have three daughters. Adrian & Celia live and worship in Market Harborough.
