Name of church	Woodgreen Evangelical Church
Address	Hastings Drive Worcester WR4 0SR
Areas of building assessed	Foyer, toilets, Main Hall, Rec Hall, outside areas
Assessment undertaken by	Martyn Walley (Covid Officer)
Date of initial assessment	30 th June 2020
Revision (v7)	13 th January 2021

The original risk assessment was agreed by the Managing Trustees of Woodgreen Evangelical Church on 21st July 2020.

The risk assessment is underpinned by the following considerations:

- Identifying which activities or situations might cause transmission of the virus.
- Thinking about who could be at risk.
- Deciding how likely it is that someone could be exposed.
- Removing potentially harmful activities or situations, or, where this is not possible, seeking to control risk.
- Tracking incidents in an accident logbook in accordance with the Woodgreen Church Health and Safety Policy.

Woodgreen Evangelical Church is committed to operating in a way that is responsible, appropriate and safe for all those who wish to meet to worship. This risk assessment seeks to adhere to all current guidance provided by the Government for the safe use of places of worship during the pandemic. The following measures are the practical steps taken to require this to happen and will be in place before the building opens and services re-commence. All members of the church community and visitors who apply to attend a service will be made aware of this risk assessment and the related Woodgreen Church Community Agreement.

Measures will be communicated as follows: Clear information to be posted throughout the building. All members of the church community and visitors who apply to attend a service will be made aware of this risk assessment and the related Woodgreen Church Community Agreement. These documents to be available on the church website. Attendees to be reminded of the importance of social distancing and hygiene by service leaders. Reminders and further instructions as necessary to be included in 'church matters'.
